FRIDAY 10TH DECEMBER

OUTSTANDING PERSON OF THE WEEK

Every Monday in the School Assembly we will be focusing on a different role model each week using our beautiful new 'Little People, Big Dreams' books in the library. So our OUTSTANDING PERSON OF THE WEEK for 10th December is:

Dolly Parton

Little Dolly grew up in the foothills of Tennessee's Great Smoky Mountains, with her 11 siblings. She didn't have much, but she was gifted with a lovely voice and that was worth more than any treasure. She became the most popular singer on the country music scene. With her unique voice and fabulous image, she became a total superstar. Dolly decided to do something great for children who loved her and started a special library that would send books to kids in need, from her hometown to the other side of the world. She also built a theme park and became the most successful woman in show business, she now owns radio stations, TV channels and record companies. After 50 years onstage, Little Dolly has become the most respected country performer of all time. She is a larger than life living legend, with a heart as big as her dreams.
