Well done to our Year 6 children who have completed their SATs tests this week. They have worked very hard and we are all very proud of them.. Year 6, you are all star learners this week.

As of yesterday, the school has moved to Arbor.

You will have received an email with information on how to log in. Please check your junk folder if you have not received it.

This replaces School-comms for payments for dinner money and breakfast club. Swimming and clubs will be on this app after September.

Please can you login this weekend, at the latest, as we will be communicating with you via this app from now.

You will also be able to communicate with us also.

Please contact the office if you are having any issues logging in and using the app.

 **Arbor**

We're using Arbor's free Parent Portal and Arbor App

We've chosen Arbor to help us manage our school.

Arbor is a simple, smart and cloud-based MIS (Management Information System), which helps us work faster, smarter and more collaboratively as a school. The Arbor App and Parent Portal mean we can keep you informed about your child's life at school in a much more accessible way. Log into Arbor to see and update your child's information, get live updates and make payments or bookings on the go!

The Parent Portal works on Google Chrome (computer or laptop) and you can download the Arbor App from the App Store or Google Play Store on your phone (Android 5.0; iOS 10.0 and upwards).

How to get started

1. Wait for your welcome email from us telling you Arbor is ready - you won't be able to log in before
2. Click the link in your welcome email to set up your password
3. Go to the App or Google Play Store on your phone and search 'Arbor'
4. Click 'Install' on Android or 'Get' on iPhone then open the App
5. Enter your email, select the school, then enter your password
6. Accept the Terms & Conditions and enter your child's birthday

Need help using Arbor?

Contact the school office if you have questions about Arbor, the App or Parent Portal. Tell us the type and model of your phone, e.g. an iPhone SE, and include screenshots or screen recordings.

To safeguard student data in line with General Data Protection Regulations (GDPR), Arbor only works directly with schools.

Some tips to try:

1. Ensure your username is the email address you use for Arbor. Ask us to **check the email address** linked to your account.
2. **Reset your password** from the login page, or ask us to do this.
3. If the login email was sent to you more than 96 hours ago, the **password link will have expired**. Ask us to send it again.
4. Ask the school office to check that your email address has not been used twice - e.g. on another guardian or child's profile.
5. **Enter the birthday** of one of your children to log in.
6. Only relatives who are **Primary Guardians** of a child can access the Arbor App. Ask us to check you can access Arbor.

WHAT MAKES AN OUTSTANDING PERSON

Every Monday in the School Assembly we will be focusing on a different role model each week using our beautiful 'Little People, Big Dreams' books in the library. So our OUTSTANDING PERSON OF THE WEEK for 9th May is:

Mahatma Gandhi

As a young man, Gandhi dreamt of unity for all people and religions. Inspired by this idea, he led peaceful protests to free India from British rule and unite the country—ending violence and unfair treatment. His bravery and free-thinking made him one of the most iconic people of peace in the world. Mahatma means 'great soul'.
