Message from Stevenage Sporting Futures:

Well done Featherstone Wood Primary School and PE Lead Ms Mago-Manyi - you have achieved the Gold School Games Mark on it's return after a COVID-hiatus. You have clearly demonstrated you are a Gold school after successfully hitting the criteria in an incredibly tough academic year.

Well done, you should be very proud of all your efforts. The children in your school are incredibly lucky to have the school sport and physical education offering they do.

Makaton Sign of the Week

Would you be interested in becoming a parent governor ?

If you do then please contact the office for further information.

WHAT MAKES AN OUTSTANDING PERSON

Every Monday in the School Assembly we will be focusing on a different role model each week using our beautiful 'Little People, Big Dreams' books in the library. So our **OUTSTANDING PERSON OF THE WEEK** for 19th September is:
Agatha Christie

Agatha Christie was born in Devon in 1890 and as a child she would read a book with her mum but Agatha always had a better idea for the ending. Detective novels were her favourite. During the war Agatha became a nurse where she learnt about poisons and toxic potions and then used this information in her own stories involving Hercule Poirot and Miss Marple.
