Dear Parents/Carers

The children had a fantastic time at PGL last week and all looked out for each other and encouraged each other when they faced activities they hadn't tried before but one child won a prize for being so supportive of his friends with his nurturing and kind manner when his friends were feeling uneasy—so we would like to say a massive congratulations to Logan.

PGL trip is an excellent opportunity for children to bond with their peers and teachers in a relaxed and fun environment and to try out new activities that they wouldn't ordinarily do. Letters have gone out this week to all pupils in current Years 4 and 5 for the trip for next June. Deposits need to be paid by 7th July.

School photos went out
this week—all orders need
to be in by 28th June
either via office or online.

Congratulations to our Star Learners

6

Charlie has had a fantastic week - he has worked hard studying short stories to be able to write a synopsis for his own. He successfully recognised the symbolism in these stories and applied this to his work.

5

Aeron is Star Learner for settling in really well this week and for having a super attitude to learning.

4

Year 4 had their Multiplication tables check this week. This was the first national test in KS2 for them and although they were all nervous, everyone put in 100% effort when taking the test. I was really proud of their effort and engagement. Therefore they are ALL star learners this week. Well done Year 4!

3

Poppy is our star learner this week for an excellent improvement in attitude! She has taken on board advice on board from peers on how to improve her choices. Poppy has worked hard this week to ensure she has completed all of her work and to a much better quality! Well done Poppy, keep it up!

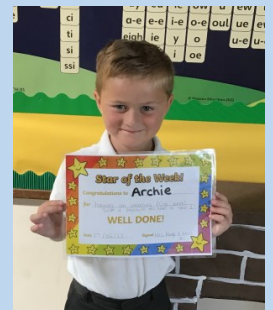

2

Sophie is our Star Learner for her excellent work with fractions. She has picked up the strategies quickly and is able to apply this to different fractions. Well done Sophie, we are very proud of you!

1

We have two Star Learners in Year 1— Theo for being so independent during lessons this week and Archie for having an amazing first week, such a pleasure to have in year 1.

R

The whole of Reception are Star Learners for working really hard in their writing.

WHAT MAKES AN OUTSTANDING PERSON

Every Monday in the School Assembly we will be focusing on a different role model each week using our beautiful 'Little People, Big Dreams' books in the library. So our **OUTSTANDING PERSON OF THE WEEK** for 9th May is:

Coco Chanel

Fashion icon Coco Chanel was born Gabrielle Chanel in France in 1883. She grew up in an orphanage and learnt how to sew in a strict convent. As Coco got older she became a seamstress and a singer in the evenings—where she got her name Coco. Coco became a hat maker, opened her first shop and designed womens clothes. In 1921 Coco unveiled her first perfume 'Chanel No 5'
