Dear Parents/Carers,

It's only 2 weeks until the Easter holidays and raffle tickets are now on sale at 20p each. Thank you to those parent/carers who have donated Easter eggs—any more Easter related donations will be greatly appreciated.

On Friday 22nd April we will be having a blue and yellow day (minimum donation of £1) for Ukraine. More information to follow

Year 1 have been learning about the history of transport. They discussed how the invention of wheels changed the world. In their Design and Technology lesson they designed and made their own cars using recycled milk cartons. Didn't they do a fantastic job.

Congratulations to our Star Learners

5

Captain America or Lealand as we call him is our Star Learner for becoming more confident, focused and contributing more in class. Well done Lealand

6

Year 6 star learner is Tamia. She always shows kindness to others, has a positive attitude and tries her best in every lesson.

4

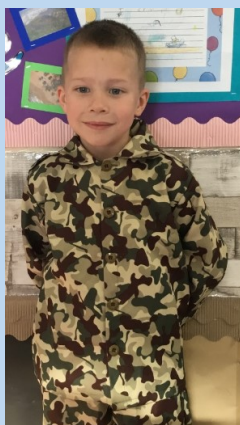

Kyle is Star Learner this week for his perseverance and stickability in swimming lessons. You made us proud Kyle, well done

3

Our Star Learner has worked well with other children.. All adults that have worked with him have commented on how well behaved he has been. He has completed all of his work. Keep up the good work

2

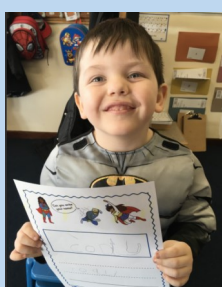

Albie is our Star Learner for great focus in his learning this week and some amazing Maths work!

1

In independent writing our Star Learner has used his phonics skills to write an instruction about how to wash woolly mammoth.

R

Cody is our Superhero star learner for Persevering with his name writing. Well done Cody.

WHAT MAKES AN OUTSTANDING PERSON

Every Monday in the School Assembly we will be focusing on a different role model each week using our beautiful 'Little People, Big Dreams' books in the library. So our OUTSTANDING PERSON OF THE WEEK for 21st March is:

Steve Jobs

Steve was born in San Francisco in 1955 and became part of the Jobs family after being adopted. Aged 12 Steve fell in love with computers and became friends with Steve Wozniak. Both Steves believed that everyone should have access to a computer at home— from that the 'Apple 1' was created.
