Hello Parents and Carers

The weather forecast is set for the temperature to drop over the weekend so please make sure children are dressed appropriately with winter coats—please make sure all clothing is named.

Reminder that ALL parents should still be wearing a face covering when entering the school grounds (please note School office is still closed) and to stay behind the yellow lines when dropping off your children (if you need to communicate with the class teacher this should be done through email or phone call).

If a child has any symptoms of Covid 19 they must have a PCR test (not a lateral flow test) and stay at home until they have a negative result.

Celebrating BBC  
Children in Need—

Thank you for all your

so far—we have raised over a
