WHAT MAKES AN OUTSTANDING PERSON

Every Monday in the School Assembly we will be focusing on a different role model each week using our beautiful 'Little People, Big Dreams' books in the library. So our **OUTSTANDING PERSON OF THE WEEK** for 26th September is:
Ernest Shackleton

Ernest was born in Ireland in 1874 but moved to London when he was 10 years old. Ernest wanted to explore and joined the Navy when he was 16 and travelled aboard the Discovery trying to reach the South Pole. Shackleton wanted to cross Antarctica via the South Pole and set off with his crew of 28 and 69 sled dogs on board the Endurance in August 1914 but the boat got stuck in ice in January 1915. Shackleton and his crew set off for Elephant Island then Ernest and 5 of his crew set off to find help at a whaling station where sailors helped them rescue the rest of the crew.
