Dear Parents/Carers,

One week until the Easter holidays and raffle tickets are on sale at 20p each. Thank you to those parent/carers who have donated Easter eggs—any more Easter related donations will be greatly appreciated. We also have a few Charlie Chicks left for sale—these are knitted chicks with a crème egg in side and all monies go to Garden House Hospice.

Monday is also our Easter Bonnet/Hat competition so don't forget to bring your creations in. Prizes to be given to the best in class.

This is Mrs Jackson's bonnet from our last competition two years ago !!

On Friday 22nd April we will be having a blue and yellow day (minimum donation of £1) for Ukraine. More information to follow

Congratulations to our Star Learners

5

Jack is Star Learner for being more focused and contributing to class discussions and eager to complete his learning

6

Charlie is year 6 star learner - he has shown great focus this week and inquisitiveness throughout his learning.

4

Erica is this week's star learner for her excellent focus during the tests. I was really impressed with her scores. Great effort, Erica. Keep up your hard work!

Oscar is Star Learner for his excellent focus in his tests this week and showing excellent progress over the term.

3

2

Nevaeh is our Star Learner this week for an excellent attitude to learning and willing to take risks share her work in class. Along with excellent tennis skills!

1

Luna is the start learner in Year one this week . Although Luna found her writing task challenging and tricky , she persevered and completed her learning independently.

R

June is our Star Learner this week in Reception for independently writing a sentence. Well done.

WHAT MAKES AN OUTSTANDING PERSON

Every Monday in the School Assembly we will be focusing on a different role model each week using our beautiful 'Little People, Big Dreams' books in the library. So our **OUTSTANDING PERSON OF THE WEEK** for 28th March is:

Mary Anning

Mary Anning was born in 1799 in Lyme Regis. Her dad used to collect fossils and aged 6 Mary joined him. Aged 12 her brother found a strange looking fossil 5.2 metres long—an Ichthyosaurus. Mary also discovered the skeletons of a Plesiosaurus and a Pterodactyl sparking an interest in palaeontology.
