Dear Parents and Carers,

Unfortunately we have had several reports already this term of parents falling out and being rude and aggressive towards each other, both on and around the school. This then inevitably spills over to the children and causes unnecessary issues between them. I would like to remind you that it is important to behave appropriately both on and around school and be very careful what is being said around the children. Please do not become involved in aggressive and unpleasant behaviour. As soon as this behaviour comes to the school's attention it does get passed on to the police and further action will be taken as required.

School is a friendly, calm and nurturing environment where everyone should feel safe and welcomed. As adults we need to set the children positive role models so that they can form positive and happy friendships and deal with difficulties in a constructive and resilient manner.

## Star Learners
