

PE and Sports Premium

Purpose of the funding

This academic year we will be receiving £16,204 funding from the government to improve the quality of the PE and sport activities in schools. The funding is being jointly provided by the Departments for Education, Health and Culture, Media and Sport. These funds can only be spent on sport and PE provision in schools.

Key achievements to date:

- Sports Ambassadors have been trained by Stevenage Sporting Futures and are supported by our sports lead, and coach to assist with provision of PE across the school. They are working on in school competitions and assist with school sports enrichment days.
- Featherstone Wood have increased in our participation of sporting activities and competition within Stevenage.
- We have provided lunchtime and afterschool clubs for children

Areas for further improvement and baseline evidence of need:

- Closure of attainment gaps, by working with sports coaches to include these in planning and extracurricular activities.
- Higher achievement when competing in intra school games.
- To achieve a Silver Games Mark.
