

# Brille, Brille Petite Étoile (French)

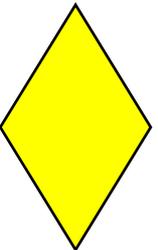

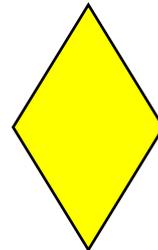

Brille, brille petite étoile  
Dans la nuit qui se dévoile  
Tout là-haut au firmament

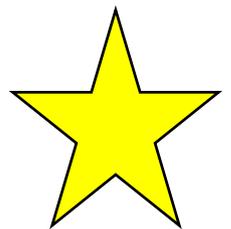

Tu scintilles comme un diamant  
Brille, brille petite étoile  
Veille sur ceux qui dorment en bas

Brille, brille petite étoile  
Dans la nuit qui se dévoile  
Tout là-haut au firmament  
Tu scintilles comme un diamant

Brille, brille petite étoile  
Veille sur ceux qui dorment en bas

# Twinkle, Twinkle Little Star

## (English Translation)

Twinkle, twinkle, little star  
In the night sky where you emerge  
Up there in the sky  
You sparkle like a diamond  
Twinkle, twinkle little star  
Look after those sleeping below
