Thursday 17th October 2019

Dear Parent/Carer,

Year 4 Field trip to Fairland's Valley Park

Our Year 4 children will be visiting Fairland's Valley Park on Friday 8th November 2019 to support their science topic on Living Things and Their Habitats. They will be hunting for invertebrates in their habitats, identifying the animals that live in Fairland's Valley Park and look for evidence of their homes as well as looking at how the land at Fairland's Valley Park is used.

We will be walking to and from the park, leaving just after morning registration and will be back in time for lunch in school as normal.

Children are to wear their full uniform along with a warm waterproof coat, a hat, gloves and a scarf if the weather is cold. **They must bring a pair of wellies, walking boots or old trainers to change into for the trip.**

There is no cost for this trip and permission has already been given on your child's data form.

Yours sincerely

Elena Burghlea
Year 4 teacher
