

19th December, 2015

Dear Parents and Carers,

I would like to pass on the message below from the Governing Body:-

It has been another busy but successful term at Featherstone Wood.

The school has been inspected by the Local Authority and HMI. The purpose of these visits is to ensure that the school is continuing to make consistent improvements. We are delighted to say that Featherstone Wood is becoming more and more successful. Both reports are now on our exciting new website so people can read them and celebrate the achievements.

The Governors wish to thank the whole staff team led by Miss Shuttleworth for their hard work and dedication in creating a positive and happy learning environment and achieving such high standards. It really has been a fantastic achievement in such a short time.

We would also like to take this opportunity to thank you all for your continued support for the school. The changes that have been made would not have been possible without your positive involvement. The parents questionnaire showed that staff and parents are working closely together for the benefit of our children.

We look forward to your continued support in the New Year. In the meantime, we hope that you enjoy a wonderful Christmas break and look forward to seeing you all in 2015.

*The Governing Body,
Featherstone Wood*
