## Friday, 21 January 2022

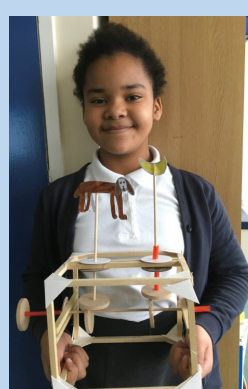

Dear Parents/Carers,

Does your child cycle to school or do you ride your bikes at the weekend then you could be interested in the bike marking scheme. The local Safer Neighbourhood Officers are holding a special bike marking event in Halfords this Saturday (22nd January) between 1pm and 4pm.

Bring your bikes to get them security marked for free and meet some of your local officers.

Halfords Store Stevenage Unit 3a, Roebuck Retail Park  
London Road Stevenage, SG1 1XZ

Year 6 have been making fantastic mechanical toys as part of their DT lessons

Every week in our assembly pupils are recognised for their reading. Pupils are expected to read every day, this means that your child should have read 137 times since September and should have already received their 125 Reading Certificate.

Reading should be an adventure, so find a cosy corner, settle down with your book or your Bug Club book and immerse yourself in another world.

Congratulations to our Star Learners

6

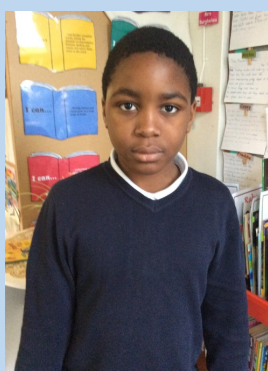

Charlie is star learner as he has been working collaboratively very well this week. This has helped with his editing skills and he has applied this throughout other areas of learning.

5

Lealand is Star Learner for his independent learning this week and being really focused and having a great settled week. Well done.

4

Eric is Star Learner for settling in very well in our class, for being active in lessons and asking good questions. Keep up your great attitude !

3

Congratulations to Skylar for being Star Learner in Year 3. Skylar took on board the advice given to her in English and she has been putting her hand up a lot more to answer questions.

2

Isabella is our Star Learner this week for her consistent hard work and impeccable behaviour! She is super helpful in class and is a role model to her peers. Well done Isabella!

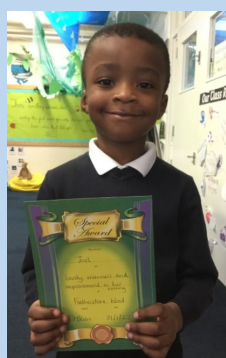

1

Congratulations to Evie for her excellent attitude towards learning. Evie is inquisitive and has a thirst for knowledge, coming to school every day ready to learn. She wowed us with some interesting animal facts during Science.

R

Joel is Star Learner for Reception this week for his lovely manners and for improving his name writing.

### WHAT MAKES AN OUTSTANDING PERSON

Every Monday in the School Assembly we will be focusing on a different role model each week using our beautiful 'Little People, Big Dreams' books in the library. So our OUTSTANDING PERSON OF THE WEEK for 24th January is:

Marie Curie

Marie Curie was born in Poland in 1867. Both her parents were teachers and Marie learnt how to read and write at an early age and did very well at school. Marie wanted to go to university but only boys were allowed so she moved to Paris to study maths and science. Marie and her husband discovered radium and polonium and received Nobel Prizes for their research. Marie was the first person to receive two ! During WW1 Marie's discoveries helped with X-ray machines that were used to help injured soldiers and Marie's discoveries still help people with illnesses today.

### CREATING HEALTHIER. HAPPIER FAMILIES IN STEVENAGE

## Our free after-school groups are coming to Stevenage this February!

Our team of family wellbeing experts and nutritionists make learning about healthy eating fun, and have plenty of tricks to help you and your kids turn what you learn into healthy habits for life!

Kids will cook healthy meals, take part in fun games and sports, and make loads of friends!

Parents are supported by our team to handle conflict resolution, and benefit from the support network of likeminded families.

WHERE AND WHEN?

**TUESDAYS 17:00 - 19:00**

Starting February 22nd for 12 weeks

**BARNWELL MIDDLE SCHOOL**

Shephall Grn, Shephall, Stevenage, SG2 9XT

SCAN ME TO SIGN UP!

**CLICK HERE TO SIGN UP FOR YOUR FAMILY'S FREE PLACE**

\*to be eligible for this awesome free service, your family must live/go to school in Hertfordshire and include one child who is above their ideal healthy weight.
