Hello Parents and Carers

We finish this half term saying goodbye to Mrs Driver. Sam has been a TA at Featherstone for 14 years and will be greatly missed by all and we wish her every success in her new adventures. We have posted some pictures of Sam over the years on our FaceBook page.

We have had the usual coughs and colds already but with Covid cases rising around the County please can we remind parents to wear face masks when on the School site.

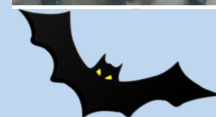

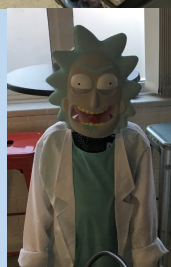

Upon our return in November we will be selling poppies as part of the British Legion Poppy Appeal and also raising money for the BBC Children in Need charity by selling Pudsey ears, badges, wristbands and rulers.

New Winter menu starts Monday 1st November. We will be starting on Week one—a copy is on our website

Big thank you to Parents of Featherstone Wood for organising the Halloween Discos yesterday. The children had a fabulous time and the costumes were great

Congratulations to our Star Learners

6

Hannah is Star Learner this week for her great resilience doing practice SATs papers.

5

Roxanne is star learner for being an amazing and lovely friend to all and working hard. We are going to miss you lots !

4

Enes is star learner this week for showing resilience when learning regrouping in subtraction. He has also enjoyed learning about Egyptians in History and showed independence and reflectiveness when completing his task. Keep up your hard work, Enes!

3

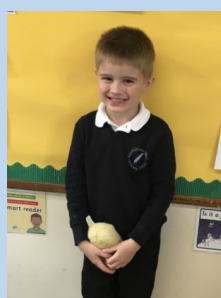

Blake is Star Learner for excellent in Maths this week and for his resilience in PE.

2

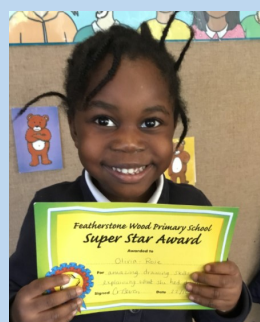

Stanley is our Star Learner this week for his fabulous progress in all areas. He has been reading well, solved inequality statements and has even impressed us with his coding.

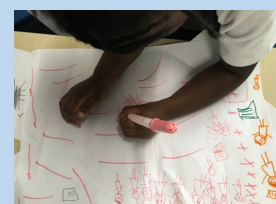

1

Dylan worked very hard this week in phonics. He has made great progress with blending sounds into words.

R

Olivia-Rose is star learner for her amazing drawing of a map of her friends and family.

OUTSTANDING PERSON OF THE WEEK

Every Monday in the School Assembly we will be focusing on a different role model each week using our beautiful new 'Little People, Big Dreams' books in the library. So our OUTSTANDING PERSON OF THE WEEK for 1st November is:

Stephen Hawking

Stephen Hawking used to stare up at the stars and wonder about the universe as a child. This curiosity led him to make one of the biggest scientific discoveries whilst looking at black holes: Hawking Radiation
