Hello Parents and Carers

It's coming to that time of year again when pupils will be having their photos taken—please look out for a date in October. Once again we will be selling the photos framed ready for Christmas.

Do you like to draw and paint—if so you could enter the 'The Colour of Nature' art competition open to all Primary School aged children being run by CPRE Hertfordshire the countryside charity. Children are being asked to think about nature and produce a piece of A4 artwork (no computer images) which captures the colour of nature.

Which is your favourite season and what would the flowers and trees look like. Are you out amongst nature in a park or wood or looking at nature through a window ?
