Hello Parents and Carers

Another beautiful morning with the sun shining so Miss Paine, Mrs Jackson and their Year 3 reporters have been using our outdoor learning area to do their reporting on festivals around the world

Today would have been Sir Captain Tom's 101st birthday. The **FutureSense Foundation**, a UK registered charity (1132101) has invited Featherstone Wood Primary School to help celebrate Sir Captain Tom's birthday this bank holiday weekend by taking on the **CaptainTom100** Challenge.

The CaptainTom100 Challenge will run from the **30th April – 3rd May** and challenges individuals to do 100 of any activity – this could be building 100 paper aeroplanes, 100 laps of the playground or completing 100-star jumps!

They have provided a link to the official CaptainTom100 Challenge video - <https://www.youtube.com/watch?v=3ZVAgjNWvOo>

Well done to Tom and Zara who worked very well as a pair by staying on task for the whole lesson. They were able to communicate effectively and also challenge one another's ability.

4

Prisha and Emmett worked very well as a pair to encourage and communicate effectively. Both a close match in ability so they were able to challenge each other slightly to improve.

2

Emily and Harry P work very well together through good communication. They support each other massively. A slight difference in ability gives them each a purpose.
