

Featherstone Wood Newsletter

Friday 4th September 2020

Hello Parents and Carers

Welcome back to another school year. It's a slightly different start that many of our pupils have been used to but they have all adapted very well to their new routines. We would also like to welcome Miss Lockhart to year 5, Miss Paine to year 3 and our new MSA Miss Storey who has joined the year 2 bubble at lunchtimes.

We would like to congratulate our first set of Star Learners and a big well done to year one for being fabulous this week on their transition from Nursery.

6 Our year 6 Star Learner has been praised for being very focused this first week back and being exceptional in their guided reading

Isabella is our star learner this week for a beautiful piece of writing- even with a broken wrist! She has settled into Y5 very well. Keep up the good work!

Ralph is star learner for having an excellent first week

Jack found the new rules a real challenge at the beginning of the week but has really turned things around and had a great week

Ayarna-Mae is our Star Learner for being on time every day, being ready to learn and trying her best

Amarah is star learner for showing great perseverance in writing her name and form-

Ryan is star learner for settling in well to a new school, following new rules and having lovely manners
