Dear Parent and Carers,

It was lovely to see all the parents and carers who came to today's celebration assembly and the class assembly earlier this week, as we believe it is important that we celebrate all the children's hard work and progress. We are extremely proud of all of them and their achievements but I would like to remind you that if you are attending an assembly you are expected to attend the whole event and celebrate everyone. Please do not leave in the middle as this does not fit in with our caring and supportive ethos and does have an impact on the children.

With the changeable weather that we have at the moment please can you make sure your child has the appropriate '**named**' coats, gloves, hats etc. Thank you

Zara and Megan in Year 5 found an alternative use for the Jenga blocks at lunchtime and used them to make a temple. We think it was a great idea and a great use of their imagination
