Hello Parents and Carers

Welcome back to a very odd start to the new school term and can we start by thanking our parents for being patient with the School as we suddenly had to adapt to the new lockdown measures and many being thrust back into remote learning. May we also thank the parents and pupils for embracing these new routines.

Every parent should have received a Marvellous Me explaining the expectations for home learning and how this can be achieved at home using Google Classroom and some of the apps we use. This can be accessed via tablets, laptops, computers, phones and even Xbox and PS4.

If you are having trouble accessing the internet or do not have enough laptops please let the school know via email: admin@featherstonewood.herts.sch.uk

ACCESS GOOGLE CLASSROOMS ON:

XBOX	PLAYSTATION
<ul style="list-style-type: none">• Go to the Home Menu.• Scroll down to Games and Apps.• Access Microsoft Edge.• Search Google Classroom and select the appropriate link.	<ul style="list-style-type: none">• Scroll to the far right of the games bar to Library.• Select the Library App.• Use the search bar to type Internet.• Select the Internet Browser App.• Press the triangle button on the controller to search.• Search Google Classroom and select the appropriate link

You can plug in a keyboard to the USB port

Congratulations to our Star Learners

6

Well done to Tom who is Star Learner for completing all his work to a high standard.

Science

Step by step instructions

- . First i cut out five pieces of paper
- . Next i put little bots into the paper with a compass
- . Then i made the little holes in to bigger holl with the help of my Mum
- . After that i made the target that hopefully the light would shine onto
- . penultimately i stood up the pieces of paper with blue tac because we had no clay
- . Finally i lined up the pieces of paper and shone the light through the paper and the results are in the picture above

5

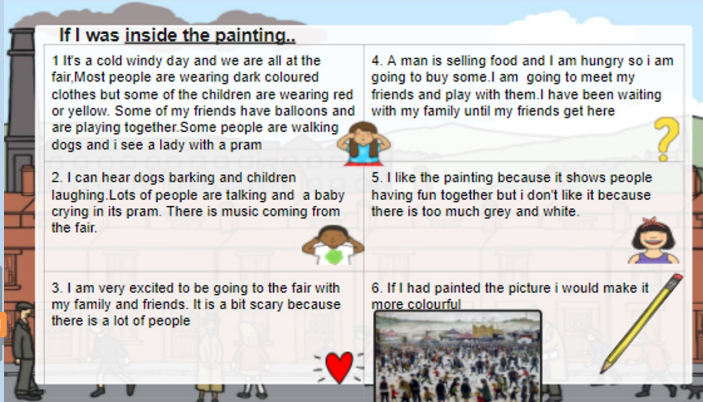

This weeks star learner is Lily for an excellent Tudor portrait of Anne Boleyn. Keep up the excellent work, Lily!

Skye is star learner this week for her outstanding work she completed at home and for her excellent attitude towards her learning. Skye, we are all very proud of you! Keep up

4

If I was inside the painting..

- 1 It's a cold windy day and we are all at the fair. Most people are wearing dark coloured clothes but some of the children are wearing red or yellow. Some of my friends have balloons and are playing together. Some people are walking dogs and i see a lady with a pram
2. I can hear dogs barking and children laughing. Lots of people are talking and a baby crying in its pram. There is music coming from the fair.
3. I am very excited to be going to the fair with my family and friends. It is a bit scary because there is a lot of people
4. A man is selling food and I am hungry so i am going to buy some. I am going to meet my friends and play with them. I have been waiting with my family until my friends get here
5. I like the painting because it shows people having fun together but i don't like it because there is too much grey and white.
6. If I had painted the picture i would make it more colourful

Miss Paine has chosen Nevaeh for year 3 star learner this week. Nevaeh has adapted well to home learning and gone above and beyond with her work. She has not only completed the work that was set for her but has also sent in

3

Finley is our Star Learner this week. He has completed all his learning, sounding out and writing his answers himself. After our Science lesson, he had his own idea to make a shelter for Rapunzel out of card and egg boxes, well done Finley!
