### Congratulations to our Star Learners

6

Frankly is Star Learner. We have been impressed with his attitude to learning all week. We were especially impressed yesterday during the first aid course where he was able to see scenarios from different points of view but recognise why one choice would be better than another.

5

Our Year 5 Star Learner has settled in really well and has had a brilliant week.

4

Precious is star learner for always trying her best, for her excellent behaviour and for being a fantastic friend. Keep up you hard work!

3

Michael is Star Learner for settling into Year 3 brilliantly and always working hard. This week Michael has produced some lovely English work incorporating all the success criteria we have been learning.

Ellie is our Star Learner this week for excellent maths work. She has been placing numbers on a number line, explaining where they go and why.

2

1

Our Star Learner has made great progress in her reading and has been using her phonics knowledge to blend sounds in words.

R

Joel is Star Learner for Reception for trying really hard with his learning and creating an amazing rocket.

N

Haris is Star Learner for being a great role model and following our School routines.

### OUTSTANDING PERSON OF THE WEEK

Every Monday in the School Assembly we will be focusing on a different role model each week using our beautiful new 'Little People, Big Dreams' books in the library. So our OUTSTANDING PERSON OF THE WEEK for 11th October is:

Jean-Michel Basquiat

Jean-Michel Basquiat was born in Brooklyn. Whilst recovering from a car accident as a child he was given a copy of 'Gray's Anatomy' which sparked his interest in the human form. Jean-Michel went on to become an artist. His first painting sold for \$25,000 !!!
