3. Overview of the CCTV System

- 3.1 The CCTV system is owned and managed by the School. Under current data protection legislation the School is the ‘data controller’ for the images produced by the CCTV system. Recognisable images captured by CCTV systems are ‘personal data’.
- 3.2 The CCTV system operates to meet the requirements of the current data protection legislation and the ICO’s guidance.
- 3.3 The CCTV system produces clear images which are suitable for the intended purposes, and which can easily be taken from the system when required.
- 3.4 The system comprises of 5 fixed domed cameras. The School has endeavoured to select locations for the installation of CCTV cameras which are least intrusive to protect the privacy of individuals.
- 3.5 Cameras are sited to ensure that they only capture images relevant to the purposes for which they are installed.

- 3.6 Cameras placed so as to record external areas are positioned in such a way as to prevent or minimise recording of passers-by or of another person's private property. Care will be taken to ensure that reasonable privacy expectations are not violated.
- 3.7 CCTV will not be used in classrooms and IT suites.
- 3.8 CCTV systems will not be used to monitor normal teacher/student classroom activity in school.
- 3.9 CCTV warning signs will be clearly and prominently placed at all external entrances to the site. Adequate signage will be placed at each location in which a CCTV camera is sited to indicate that CCTV is in operation. Signs will contain details of the purpose for using CCTV.

4. Monitoring and Recording

- 4.1 The viewing of live CCTV images and recorded images which are stored by the CCTV system will be restricted to authorised staff with the required security access.

- 6.6 The School will only disclose recorded CCTV images to third parties where it is permitted to do so in accordance with the Data Protection Legislation. In some circumstances it may be appropriate to disclose images to a third party, such as when a disclosure is required by law, in relation to the prevention or detection of crime or in other circumstances where an exemption applies under relevant legislation.
