

Miss Shurmer-Elliott, Early Years Lead, DDSF

I always wanted to be a teacher but the day I stepped into an Early Years classroom, I knew that was where I wanted to be! I love the hubbub, energy and positive atmosphere of the setting. Every day someone is learning something new and no two days are the same. I am always amazed at how much our children want to learn, seeing them explore, investigate and make links to develop their understanding. When I'm not at school I love to go for walks in the woods with my family and can sometimes (but not often enough) be seen exploring the Greenway by bike!
