

Latest SATS Results

We are extremely proud of our Year 6 results. The children, staff and parents have worked very hard to achieve these impressive results. We are sure that as the children leave us and move to their secondary schools this summer they will do so knowing they can hold their heads up high and that they will continue to develop and be independent learners at secondary school and beyond.

Featherstone Wood is an inclusive school with a significant number of children with special educational needs. Where these needs are related to cognitive function, this can have an impact on our 'headline' results. This needs to be taken into account when parents & carers are trying to understand the success of the school.

In 2014, 24% of the Year 6 cohort had this type of special education need. This means our Year 6 results show that, overall, children achieve good or better standards as they travel through our school.

Year 6 SATS Results - July 2014

Progress

The government target for progress is 91% making two levels progress from KS1 to KS2.

In 2014, we achieved:
