**Key Sources of evidence – what is the evidence and rationale for our sports premium spending.**

i	<p><a href="#">PE and sport premium: an investigation in primary schools</a></p> <p>Department for Education – November 2015</p>	<p>The most common uses for the PE and sport premium which could evidence impact were to:</p> <ul style="list-style-type: none"> <li>• up-skill and train existing staff</li> <li>• buy new equipment</li> <li>• provide more extra-curricular activities</li> <li>• employ new sports coaches</li> <li>• introduce new sports in both curricular PE and extra-curricular sport</li> </ul>
ii	<p><a href="#">Effective Use of the PE &amp; Sport Premium</a></p> <p>Association for Physical Education – Summer 2013</p>	<p>Identifies key strategies for sports premium spending which have most impact:</p> <ul style="list-style-type: none"> <li>• paying for professional development opportunities in physical education and sport</li> <li>• buying quality assured professional development modules or materials for physical education and sport</li> <li>• hiring specialist physical education teachers to work alongside primary teachers when teaching physical education</li> </ul>
iii	<p><a href="#">How to spend the PE &amp; Sport Premium Funding</a></p> <p>Somerset Sports Partnership</p>	<p>Identifies key strategies for sports premium spending which have most impact:</p> <ul style="list-style-type: none"> <li>• engagement of all pupils in regular physical activity - kick starting healthy active lifestyles</li> <li>• increased participation in competitive sport</li> <li>• the profile of PE and sport being raised <b>across</b> the school as a tool for whole school improvement</li> <li>• broader experience of a range of sports and activities offered to all pupils</li> <li>• increased confidence, knowledge and skills of all staff in teaching PE and sport</li> </ul>
iv	<p><a href="#">PE and sport premium for primary schools</a></p> <p>www.gov.uk – updated 28 July 2017</p>	<p>Schools must use the funding to make additional and sustainable improvements to the quality of PE and sport they offer. This means that you should use the premium to:</p> <ul style="list-style-type: none"> <li>• develop or add to the PE and sport activities that your school already offers</li> <li>• make improvements now that will benefit pupils joining the school in future years</li> </ul> <p>For example, you can use your funding to:</p> <ul style="list-style-type: none"> <li>• hire qualified sports coaches to work with teachers</li> <li>• provide existing staff with training or resources to help them teach PE and sport more effectively</li> <li>• introduce new sports or activities and encourage more pupils to take up sport</li> <li>• support and involve the least active children by running or extending school sports clubs, holiday clubs and Change4Life clubs</li> <li>• run sport competitions</li> <li>• increase pupils’ participation in the School Games</li> <li>• run sports activities with other schools</li> </ul> <p>You should not use your funding to:</p> <ul style="list-style-type: none"> <li>• employ coaches or specialist teachers to cover planning preparation and assessment (PPA) arrangements - these should come out of your core staffing budgets</li> <li>• teach the minimum requirements of the national curriculum - including those specified for swimming (or, in the case of academies and free schools, to teach your existing PE curriculum)</li> </ul>
