Dear Parents/Carers,

Now that your child is in year 6, you may be encouraging their independence, by allowing them to walk home by themselves in preparation for secondary school. If this is the case, you may want your child to bring to school a mobile phone in case of emergencies. This is more than acceptable; however, your child must ensure that they turn off their phone and hand it in to me. Their phones will be stored securely until the end of the school day, where they can be collected at the school office by your child before they leave for home. Otherwise, mobile phones should not be brought in to school.

We appreciate the support for encouraging independence however, your child will not be allowed to collect a younger sibling in the school; parents must still collect their younger children.

If you would like to your child to walk home after school, please complete the slip below and return it to school.

Many Thanks
