Statement of Intent

The home-school-child agreement encapsulates our belief that parents are a child's first and most important educators. It is designed to help achieve the highest possible standards of achievement through close communication and effective partnership with parents. It will be reviewed every two years.

The agreement below is printed in the Home-School Diary. We expect the whole school community to adhere to the following:

As a pupil I will:

- Focus on my learning and respect the right of others to learn
- Follow our school behavior system
- Join in all activities and be an active learner
- Be well mannered in all I do
- Treat the environment we all live, work and learn in with respect
- Take pride in my appearance in and out of school

As a parent I will:

- Support the school with its behavior system and ensure I am a positive role model
- Ensure my child completes their home learning
- Attend meetings to discuss my child's behavior or learning and share information that may affect either of these
- Ensure my child attends school, both regularly and punctually
- Supervise my child around the school site
- Not consume drugs, including cigarettes, e-cigarettes or alcohol near the school site
- Not approach other people's children to discuss incidents with them
- Not be rude or aggressive to any member of staff, parent or visitor
- Discuss issues involving other children directly with the school and not with other parents
- Make sure my child is dressed in the correct school uniform and provided with the correct PE kit, or change of clothing where necessary (this can be very important in the Early Years)
- Encourage my child to participate in all aspects of school life and learning, including supporting them to be organized and prepared for their school day
- Not use social media to publish negative comments which could be linked to the school or individuals within the school.

As a school we will:

- Foster and develop the social, moral, spiritual and cultural development of each child
- Provide a broad and balanced curriculum which is engaging
- Have high expectations for success and achievement
- Communicate regularly with parents about the progress their child is making and around the support they are receiving in their learning and behavior
- Treat all members of our school community fairly and respectfully
- Set and demonstrate high expectations of behavior and have no tolerance for bullying, racism or any kind of discrimination
- Regularly set and monitor home learning
- Provide a range of extra-curricular and enrichment activities across the school year
